## MORE ABOUT JUAN

Juan Cangas has spent most of his life pursuing one question, "Why do some people succeed in life while others fail?"

Juan had to find his own motivation to succeed as a young Latino teen wrestling with the challenges of life.

His drive to overcome barriers and desire to make his mother proud helped him become the first person in his family to attend college.

Juan is an authority in youth leadership development, with over 6 years of experience inspiring students from all walks of life.
